

# Class 1 Truck Driver – Job Description

S.E.G. Enterprises Excavating & Gravel is a family owned and operated heavy construction company located in Hadashville, Manitoba. For 40 years S.E.G. Enterprises has been specializing in excavation, aggregate production and transportation within eastern Manitoba.

We are currently looking for an experienced Class 1 Truck Driver for the 2026 construction season. This position will be considered full-time/seasonal.

## Job Duties

- Haul various aggregate materials with belly-dump and end-dump tractor-trailers, and tandem dump trucks
- Operate equipment safely at jobsite locations in varying conditions
- Complete basic daily maintenance of equipment
- Effectively follow instructions given by supervisor and office staff
- Professionally communicate with customers and co-workers when required
- Actively participate in health & safety program including completing pre-trip inspections, hazard assessments, participating in safety talks/meetings, adhering to policies and procedures, and wearing appropriate PPE
- Other tasks as required by supervisor

## Requirements

- Valid Class 1 driver's licence and current driver's abstract
- 1+ years experience driving tractor-trailers, experience with hauling aggregate considered an asset
- Experience operating other heavy equipment (loader, excavator, dozer, grader, skid steer) considered an asset
- Knowledge of basic equipment maintenance
- Ability to work independently and with a team
- Effective communication and customer service skills
- Ability to be flexible with tasks completed and hours worked (50+ hours per week during construction season)

Competitive wages based on previous experience
